Zing Hull or Pontoons - \$175.00 Zing Triple Toons - \$225.00	Mold/Mildew Treatment - \$50.00 (w/Platinum Package)

****DISCLAIMER:** Most mold/mildew can be removed but some stains may still be seen, removal is not 100% guaranteed but will significantly reduces future growth. Zinging the hull/pontoons is recommended approximately every 2 years for best results. Excessive buildup/barnacles can result in damage to the hull/pontoons/lower unit and 100% removal cannot be guaranteed. We take all precautions possible to prevent any damage or discoloration to your boat but not all vinyl's, carpet, decals, gel coat/paint/fiberglass/aluminum are of the same or best quality and may result in damage or discoloration depending on the condition of the boat when brought in for cleaning.
